

ROAD TO FREEDOM

Lyrics & Music by Colin McCrow

Chorus

D G
I'm on that road to freedom, gonna get there someday,

D A
I'm on that road to freedom with you.

D G
I'm on that road to freedom, gonna get there someday,

D A D
I'm on that road to freedom too.

G
Is Jesus my father, this I want to know,

A D
That's what the good book says.

G
He died for me on that cross, died an awful death,

A D
Lived to see me again

G
I asked why Jesus died, this is what they said,

A D
That He died to save my sins.

G
And I know He's coming soon, I know this for sure,

A D
Said I'd see Him again.

G
Now I have found this place, won't you come along,

A D
Won't you see what He is like?

G
Jesus says He loves you too, He's so big and strong

A D
You'll have eternal life
