

Watery Grave

Lyrics & Music by Colin McCrow

G D
Then Jesus came from Galilee, unto the Jordan's edge;
G D G
To be baptized there by the Baptist, so it could be said;

Chorus 1

Em C D F#dim7 Em C D
That He provided an example, For us to follow,
Em C D F#dim7 Em C D
He went down into that Watery grave, watery grave.

G D
Then John, he tried to deter Him, saying it is I;
G D G
I need to be baptized by you, why do You come by?

Chorus 2

Em C D F#dim7 Em C D
Jesus said let it be so, for we must fulfil,
Em C D F#dim7 Em C D
The prophecy and righteousness, righteousness.

G D
So I challenge you to do the same, follow His example;
G D G
You can dedicate your life to Him, in the watery grave;

Chorus 3

Em C D F#dim7 Em C D
Yes He provided an example, For us to follow,
Em C D F#dim7 Em C D
He went down into that Watery grave, watery grave.
