

# The Escape Route To Heaven

*Lyrics & Music by Colin McCrow*

## **Chorus**

Em C GD Em C G D  
I have found the way, My escape route to freedom,  
Em C G Em C G Em  
Yes Jesus is the way, The escape route to Heaven.

C D G  
I see my life, then how should I be?  
Em G Em D  
There's no escape, no escape I can see;  
C D G  
I look around, I feel as helpless as can be;  
Em G Em D G  
On my own, I just fail constantly.

C D G  
I look around, I look at my fellow man;  
Em G Em D  
I see some good, but O so much bad,  
C D G  
How can I escape this troubled life I lead?  
Em G Em D G  
O my Lord, I wish I knew what to say.

C D G  
I can see Him, yes I see my Lord,  
Em G Em D  
I have found Him, the answer to life,  
C D G  
He paid the price, He died on that tree;  
Em G Em D G  
So that we, Yes we could fully see.
