

## HE IS LOVE TO ME

*Lyrics & Music By Colin McCrow*

D                      Dmaj7              G              A\_7  
He is love, He is peace, He is everything to me,  
                         C              G/D      D  
He gave His life so that I might live,  
A\_7    D                      Dmaj7  
I will praise the Lord My God,  
                         G              A\_7  
For His death on Calvary's tree  
                         C      G/D      D  
He is love, He is love to me.

D                      Dmaj7              G              A\_7  
He is joy, He's alive, And for me Jesus did strive,  
                         C              G/D      D  
He came to show me what I could be,  
A\_7    D                      Dmaj7  
He came to earth as a babe,  
                         G              A\_7  
Just so you and I could see, that,  
                         C      G/D      D  
He is love, He is love to me.

D                      Dmaj7              G              A\_7  
Was His life all in vain, Did he go through all that pain,  
                         C              G/D      D  
To be rejected, unloved, unfree?,  
A\_7    D                      Dmaj7  
Can you think of greater love,  
                         G              A\_7  
Than to give Your only Son, yes,  
                         C      G/D      D  
He is love, He is love to me.  
                         C                      Dmaj7(5) Em7/D(3) D  
He is love, God is love to me.
