

Please Be My Master Lord

Lyrics & Music by Colin McCrow

G C G
You can only serve one master, the choice O it is yours,
A7 D G C G
You can choose the devil or you can choose the Lord;
C B7
You must make this decision; it will control your life,
C G D G
You can choose eternal life or death as a reward;
C G D C G
You can choose eternal life or death as a reward.

Chorus

Em C G D G
Please be my master Lord, please be my guide,
Em C G D
Please show me how to Lord, live a holy life,
Em C G B7 Em D
Please be my master Lord, please come within;
Em C G C D G
Please come within my life, take away the sin,
Em C G C D G
Please come within my life, take away the sin.

G C G
I had a dream, I was asleep, alone in thought, I thought,
A7 D G C G
My life it passed before me, I saw just how I lived;
C B7
The devil O he has control, my life was not my own,
C G D G
And yet I thought, I was alright, but sinful seeds I'd sown,
C G D C G
And yet I thought, I was alright, but sinful seeds I'd sown.

G C G
 That Bible it says what you sow, that you will surely reap,
 A7 D G C G
 O Lord, please change my life around, help me Your law to keep,
 C B7
 I know all I can do is ask, and open up the door,
 C G D G
 And let you live within my life, that change makes me secure,
 C G D C G
 And let you live within my life, that change makes me secure.
