

The Masters Touch

Lyrics & Music by Colin McCrow

Capo 5ft Fret

C Edim7
You travel along life's weary road,
G G7 G7/D C Cmaj7
And everything that you do, Is never what it could be;
C C/G G G7 G7/D C C7
You realize that your life is in a mess, Without the Masters touch.

Chorus

F C
Come unto Me, ye that are heavily burdened;
G G7 C C7
And I will give you rest, rest in me;
F C
O come unto Me, ye that are heavily burdened;
G G7 C Cmaj7
And I will give you rest, rest in me.

C Edim7
Time travels slowly by you today,
G G7 G7/D C Cmaj7
Until you come to realize, That you need Him to help you,
C C/G G G7 G7/D C C7
Then you see the promise of life, Stays near the Masters touch.

C Edim7
Helping others to see that His love,
G G7 G7/D C Cmaj7
Is the only way now, To show that you really care,
C C/G G G7 G7/D C C7
You care share the way that Jesus loved us, Sharing the Masters touch.
