*Lyrics & Music by Colin McCrow*

## **Chorus**

Cm7        G7        Cm7 F        Dm  
Jesus cares, Jesus cares, Jesus cares for me,  
Dmaj7    Gdim        D        A\_7    D  
He is love, He is Love, Came to set me free.

F                    Gm7  
He was despised and rejected of men,  
C                    Dm  
A man of sorrows acquainted with grief,  
F                    Gm7            C  
And we hid as it where our faces, from Him,  
Dm                    C Gm7        Dm C  
He was despised and we esteemed Him not- but,

F                    Gm7  
Surely He has borne all of our grief's,  
C                    Dm  
Carried our sorrows yet we did esteem,  
F                    Gm7            C  
That He was stricken, smitten by God,  
Dm                    C Gm7                    Dm C  
afflicted By His own life, but we did not understand- that,

F                    Gm7  
He was wounded for our transgressions,  
C                    Dm  
He was bruised for our iniquities,  
F                    Gm7            C  
The chastisement of our peace, on Him,  
Dm                    C Gm7                    Dm C  
And we are healed, His stripes will make us free -'cause,
