

He's Coming Again I Know

Lyrics & Music by Colin McCrow

D A
I want to see Jesus when he comes in the clouds, coming to take us home,
D E7 A
I'm so sick of this old, old earth, upon which now I roam;
D A
He said that He has a place just for me, in heaven up above;
D A D
How I long to be there with Him, my Saviour and my love.

Chorus

A D
He's coming again I know, coming to take us home,
E7 A
Coming to make us free;
D A
When you look right up into the sky you will see, a very small black cloud;
D E7 A
It's man's hand size initially, grows with approaching doom,
D A
If you look around at this world, you will it crumbling down,
D A D
You'll know He's come to save us all, put on your head a crown.
D A
When you see all your persecutors, and they will call for the rocks to fall;
D E7 A
And hide them from His glory 'cause, they won't hear His call;
D A
You who have remained faithful, in whatever your lot befalls;
D A D
Will get your reward in heaven, from the ruler overall.
