He came to me, He came to me, My life has changed, I've been set free;

He came to me, He came to me, I feel so free, as He lives in me.

He has the power to make me anew, New life He gives, new life He gives,

B7 E
I'll never want a thing more than this, Trusting in Him, Saviour.

Forgive my past, please make me like you, Please live in me Saviour.
