

# THE BIRTH

Lyrics & Music by Colin McCrow

## Lead In

A7sus4          A\_7   A7sus4          A\_7  
Ooo, Ooo, Ooo, Ooo, Ooo, Ooo, Ooo, Ooo

A7sus4          A\_7   A7sus4          A\_7  
Unto you a babe is born, In Bethlehem at this time  
A7sus4          A\_7   A7sus4          A\_7  
Unto you a babe is born, In Bethlehem, Bethlehem  
C                  D      C                  A\_7  
City Of David is this child, Sent from God to the earth

A7sus4                  A\_7   A7sus4                  A\_7  
Sky is bright, this starry night, The angels sing, their voices raised,  
A7sus4                  A\_7   A7sus4                  A\_7  
Heav'nly light it is in sight, While the shepherds are amazed.  
C                  D      C                  A\_7  
Go to the city they are told, He is there, swaddling clothes.

A7sus4                  A\_7   A7sus4                  A\_7  
From the east wisemen come, Gifts of jewels for everyone,  
A7sus4                  A\_7   A7sus4                  A\_7  
But They've come 'specially for one, Here in the form of God's Son.  
C                  D      C                  A\_7  
They rejoice in their find, They see that God's in mankind.

A7sus4                  A\_7   A7sus4                  A\_7  
Yes it's true about the birth, He's the one who saved the earth,  
A7sus4                  A\_7   A7sus4                  A\_7  
This the life of God's own Son, Came to free world's undone.  
C                  D      C                  A\_7  
City of David is this child, Sent to set us free from sin.
