

# JOSEPH'S SONG

Lyrics & Music by Colin McCrow

*Intro: Cadd9/D(noG) G6/D(noG) D Dsus Cadd9/D(noG) G6/D(noG) D Dsus*

G D/F# Em D/F# G D  
I am just a simple man, a carpenter by trade  
G D/F# Em D/F# G Asus4 A  
Yet now I see a miracle, lying there in the hay  
G D/F# Em D/F# G D  
The Son Of God's been born tonight, And so my soul it sings  
G D Asus4 A\_7 D  
The little one before me now, He has been born a king  
G D Asus4 A\_7 D  
The little one before me now, He has been born a king

G D/F# Em D/F# G D  
I see Mary over there The pride that's in her eyes  
G D/F# Em D/F# G Asus4 A  
The love she feels is very deep and that is no surprise  
G D/F# Em D/F# G D  
For not only her firstborn son is born while angels sing  
G D Asus4 A\_7 D  
The little one before us now, He has been born a king  
G D Asus4 A\_7 D  
The little one before us now, He has been born a king

## **Chorus**

Cadd9/D(noG) G6/D(noG) D Dsus  
Imman - uel promised one  
Cadd9/D(noG) G6/D(noG) D Dsus

 I don't know that I can be, a Father like Your One  
       G      D/F#   Em D/F#   G                      Asus4 A  
 But promise You tonight I will, I'll love You as my son  
       G      D/F#      Em D/F#      G                      D  
 The privilege that's been given me Is such a blessed thing  
       G                      D                      Asus4   A\_7   D  
 The little one before me now, He has been born a king  
       G                      D                      Asus4   A\_7   D  
 The little one before me now, He has been born a king
