

LAST WORDS

Lyrics by Colin McCrow & Brian Johnson Music by Colin McCrow

Capo 1st Fret

G C G
What an awful day, When He hung on the cross,
C Bm Am D G
Hanging there in pain and agony.

C G
So He cried out above, Will this save the lost,
C Bm Am D G
Doing this deed on Calvary?

Chorus

Em Bm D
Father please forgive them, They don't know what they do,
F C G
They don't believe a word I say,
Em Bm D
Then I know the time has come, the time for me to go,
F D G
Please help them along the way.

G C G
As they laid Him in the tomb, The earth seemed it were dead,
C Bm Am D G
Thunder clapped across the sky above,
C G
Then the door it closed on Him, But Christ soon rose again,
C Bm Am D G
To His place upon the throne above.

G C G
 As I think of Calvary, The debt You paid for me,
 C Bm Am D G
 I can understand the sacrifice,
 C G
 Now I understand the love, You gave it all for me,
 C Bm Am D G
 Thank you Lord for helping me to see.

Chorus 2

Em Bm D
 Father please forgive me, I did not understand,
 F C G
 I could not see Your love for me,
 Em Bm D
 Won't You come into my life, Please come & live in me,
 F D G
 Save me for eternity.
 F D G
 Oh, save me for eternity
