*Lyrics & Music by Colin McCrow*

## Intro A Bm A Bmadd9 A/C# Bmadd9 A

Have you ever taken one step forward, to return that step with two?  
D A D E7 A  
Have you ever wondered why it happens, happens to only you?  
C#m  
Have you ever seen a life go wasting, then realise that it was yours?  
D A D E7 A  
Have you ever seen someone yearning, for a just and holy cause?

## Chorus

F#m7 C#m/E D E7sus4  
Will you change and be a Christian?  
F#m7 C#m/E D E7sus4  
Will you follow how He lived?  
F#m7 C#m/E D Bm F#m E7  
Not fancy imagination, to live and follow what He did.

A C#m  
Have you ever asked what am I doing, am I living like I should?  
D F# A D E7 A  
Am I showing Christianity, or if I could then I would?  
C#m  
Your life's a lasting impression, someone's searching for the truth.  
D F# A  
When you're lost and don't know what to say,  
D E7 A  
But you really know that you should.
