

A Sinful Me

Lyrics & Music by Colin McCrow

Capo 3rd Fret

D G A
First I look at You, then I look at me;
D G A
All that I can see, is a sinful me;
F#m Bm G A
I want to believe, that what You say is true,
F#m Bm G A
So that I can see, how I can live through You;
D G A D
But all that I can see, is a sinful me.

D G A
I've tried it on my own, to live a righteous life;
D G A
I have tried, and I have failed, to ever get it right.
F#m Bm G A
I should have known Your life, and looked at it to see;
F#m Bm G A
It's only through Your love that I will ever be;
D G A D
But all that I can see, is a sinful me.

D G A
It's only when I saw to put my trust in You;
D G A
And believe all You said, is the only truth;
F#m Bm G A
My life's filthy rags, that's at its very best;
F#m Bm G A
But when You're in my life, I have eternal rest;
D G A D
But all that I can see, is a sinful me.
