

Colours Of Love

Lyrics & Music by Colin McCrow

G/D G G/D D/F#
Red rose of Sharon, red sunsets high;
G/D G G/D D/F# G
Lily of the valley, they tell me He's nigh.

G/D G G/D D/F#
Green meadows flow'ring, grass on the earth;
G/D G G/D D/F# G
Blue skies in the heavens, they tell of His birth.

Chorus

C Em Am G D G/D
These are the colours of love O Lord
D/A C/E D/F# G/B
The colours of love that you made,
C Em Am G D G/D
When You came down and You died O Lord
D/A C/E D/F# G/B
You came so I might live a- gain
C Em Am G D G/D
These are the colours of love O Lord
D/F# G/D D/A G
You are the colours of love.

G/D G G/D D/F#
Yellow are deserts, dry dusty land;
G/D G G/D D/F# G
Tell about His passing and of Heavens plan.
