About the Author

I wrote my first very simple song on my ukulele when I was 12 just before I started to play guitar, Since I was 16 my song writing became more prolific, and I have had opportunity over the years to share my music via special items at church. I have been actively involved as a worship leader at my local church now for over 30 years and have developed lots of music resources for use by our congregation. As I write mostly on guitar many of the songs I have written have not been fully scripted as music scores yet, but other pieces will be developed in all these formats as time permits. As a Christian singer songwriter, it is my fervent wish that you may be blessed by this song and I would love to share this music for you to use in your worship and to bless others. All the Glory be to God!

About This Song

This song explores in a simple manner the moments when we contemplate the saving grace of our Lord and Saviour Jesus Christ, both in this world and when we can share eternity together with Him. Think of how wonderful that will be to thank Him for His Saving Grace.

- You may freely use this music in your worship services for special items etc.

Verse 1

In a quiet place I was thinking,
Thinking of saving grace,
In a quiet place by the meadow,
Wondering 'bout my place.

Verse 2

In a quiet place I was wand'ring,
Wandering through my life,
In a quiet place by the river,
I did think 'bout my life.

Verse 3

In a quiet place I was walking,
Walking with my Lord,
In a quiet place there in Heaven,
With Him for evermore.
