

# Love's Glory Song

*Lyrics & Music by Colin McCrow*

C                      Cmaj7    C   F C  
We will sing with the ransomed forever,  
F                      G2        C  
Love's most glorious song;  
                     Dm            G7        C   Am  
As we join in the angel chorus,  
                     D                D7        G  
And praise Him all day long;

## **Chorus**

                     C                      G                      Dm    G7        C  
We will sing, we will sing, Glorious songs, to the Saviour  
   G        C Edim7    Dm7            G7    C  
As we join in the angel chorus, And sing Love's glory song.

C                      Cmaj7    C   F C  
We will sing through the endless ages,  
F                      G2        C  
With songs of joyous praise;  
                     Dm            G7        C   Am  
As we echo the love of Jesus,  
                     D                D7        G  
His love to man displayed;

C                      Cmaj7    C   F C  
We will sing for we can't be silent.  
F                      G2        C  
We know redemptions true;  
                     Dm            G7        C   Am  
For no more is sin and suffering,  
                     D                D7        G  
He has made all things new;
